INTREPID 8 FOR PROGRESS

The 8 reasons you need a tailor-made attainment analysis solution to fit your school's specific needs.

1 There's no need for staff to dig and delve for the right information, it's all provided.

2 Tiered reporting from whole cohort, through subject and class, right to individual pupil analysis.

8 Gives all staff a sense of ownership of the data.

3 The right information at the right time for the right people.

7 Data stays in school where it belongs – no need to upload sensitive information to the Cloud.

4 Basket Analysis - Progress, Disadvantaged, Gender, Closing the gaps and much more...

6 Automated reports and analysis, focussed and targeted at particular stakeholders such as SLT, Year heads, faculty leaders, class teachers, governors, Ofsted.

5 Advocating the push mentality, you decide which levels of information are appropriate to disseminate to different audiences.
